

Sanderling Amenities

A rare combination of natural delights and creature comforts.

Experience living in a preserved natural habitat, an Atlantic Ocean to Currituck Sound community. Nature trails and lakes are easily enjoyed and connect with Audubon Sanctuary. The racquet and swim club overlook the Currituck Sound. A pier and boat ramp make sailing, fishing, kayaking, and windsurfing quickly accessible. The Sanderling Resort & Spa, restaurants and amenities can be reached by a beach walk or bike to Duck's shops and eateries.
